

A modern kitchen interior featuring black cabinetry, a central island with a black countertop, and a window with a grey roller blind. The kitchen is equipped with a sink, a stove, and various kitchen appliances. The lighting is provided by three pendant lights hanging over the island. The overall design is sleek and contemporary.

Designing Spaces. Building Lasting Value.

ARCHITECTURE & INTERIOR DESIGN CONSULTANCY · DHAKA, BANGLADESH

WHO WE ARE

About Jade Architectural Solutions

Jade Architectural Solutions is a Dhaka-based architecture and interior design consultancy, built on the belief that great spaces begin with understanding the people who will live in them. For more than a decade, the studio has guided residential and commercial clients from first consultation through final handover, pairing architectural discipline with a considered, consultancy-first approach.

The practice's residential portfolio spans premium apartments, villas, and family homes across Dhaka, alongside a growing commercial and corporate capability. JadeAS has also collaborated with Jade Kitchen Design Malaysia on select premium residential projects in Bangladesh, including developments delivered through Shanta Lifestyle — bringing an added layer of international kitchen and joinery expertise to these engagements.
